

DVGW certificate of conformity hygiene

DVGW-Konformitätsbestätigung Hygiene

HW-1002DN0112
Registration Number
Registriernummer

Confirmation of Conformity <i>Konformitätsbestätigung</i>	system 1+ with audit testing <i>System 1+ mit Fremdüberwachung</i>
Owner of certificate <i>Zertifikatinhaber</i>	Wefatherm GmbH Urentalstr. 380, D-37688 Beverungen
Manufacturer <i>Hersteller</i>	Wefatherm GmbH Urentalstr. 380, D-37688 Beverungen
Product Category <i>Produktart</i>	Hygienic suitability according to system 1+: Components from plastic, product group P1 (1002)
Product description <i>Produktbezeichnung</i>	Drinking water installation system consisting of welded connectors made of PP-R and pipes made of PP-R
Material/Model <i>Werkstoff/Modell</i>	Borealis RA 130E-6017 / WEFATHERM
Test reports <i>Prüfberichte</i>	Certification report: dated 06.05.2025 (ZGW) Report of initial inspection: V542/24-62103-21-0497 dated 08.10.2024 (IMA)
Test basis <i>Prüfgrundlagen</i>	DVGW CERT ZP 1000 (03.09.2024) UBA KTW-BWGL (24.02.2025)
Date of Expiry / File No. <i>Ablaufdatum / Aktenzeichen</i>	16.03.2032 / 24-0666-WHA

This is to confirm that, based on the DVGW CERT ZP 1000 certification programme, the product information made available, including the recipe specifications and the above-mentioned assessment report, the above-mentioned product/component meets the requirements of, and complies with, the assessment basis/guideline of the German Federal Environmental Agency mentioned under Test Specifications for the temperature range listed on the reverse.

Type Typ	Technical Data Technische Daten	Remarks Bemerkungen
WEFATHERM	Application: Drinking water supply Type of construction: Welded connectors and pipes Production method: Extrusion and injection moulding processes Temperature range: Hot water, up to 60 °C Material type: PP-R	

The assessment reports listed under Test Reports are an integral part of the confirmation of conformity.
The confirmation of conformity is valid from date of issue and remains valid as long as the requirements listed under "Notes" are met.

Notes

The confirmation of conformity was issued on the condition that the raw materials used to manufacture the product or rather their composition and/or components, including the latter's manufacturer and supplier chain have been disclosed in full and no other substances are contained in the product. The validity of this document expires in the event of modifications to the composition of the product or to the processing conditions that were not coordinated with the certification body and in the event of non-compliance with the conformity requirements as well as in the event of termination of the 1+ system monitoring programme of certification body and manufacturer.

The results of our tests and the assessments apply to the test items examined and the statutory regulations valid at the time of testing. Without our express written approval, this document may only be published or reproduced in complete and unaltered form.

This confirmation of conformity is only valid in conjunction with a corresponding entry in the Internet directory of DVGW CERT GmbH (<http://www.dvgw-cert.com>). The confirmation of conformity remains the property of DVGW CERT GmbH and must be returned to DVGW CERT GmbH upon request.
